

## 2024 Vegetation Management Technician

---

Wild + Pine is seeking Vegetation Management Technicians for our summer operations beginning in May 2024. These positions are seasonal full time, based out of our Edmonton office, with the possibility of extension, and no prior experience is required.

**ABOUT WILD + PINE:** Wild + Pine is a fast-paced, growing group of companies at the intersection of Canada's emerging carbon market and green economy. As a team of foresters, environmental scientists, and natural resource professionals, our organization represents some of the world's largest corporate climate leaders while advancing our industry and community as a globally recognized Certified B Corporation.

As an evolving professional organization, Wild + Pine offers a diversity of work experience and opportunities for those looking to develop their careers within a creative, purpose-driven company.

**Position(s):** Vegetation Management Technician I (multiple openings)

**Location:** Edmonton, with project-based travel required.

**Term:** May - August/September

**Compensation:** \$20-\$25/hr (+1.5x OT) depending on experience

**POSITION SUMMARY:** Wild + Pine is seeking hard working individuals wanting an introduction into the environmental restoration and management industry. This role is suited for those who enjoy working outdoors, are able to be self-directed and resourceful, and are prepared to work in all types of environments and weather. Vegetation Management Technicians will assist in herbicide application on our various reclamation, restoration and afforestation projects. These efforts are a crucial piece to the successful revegetation of Canada's forests. and provide a sound foundation for a future career in environmental management. This position can be a great foundation for future environmental roles.

### ROLES & RESPONSIBILITIES:

- Identify noxious weeds and treat with herbicide in accordance with site prescriptions.
- Operate application equipment, including herbicide backpacks and UTV sprayers.
- Complete manual vegetation management (handpicking) where appropriate.
- Record treatment data on digital collection app.
- Report on site conditions and provide recommendations for future vegetation management activities.
- Participate in herbicide inventory and equipment maintenance.
- Participate in daily safety meetings and follow safe work practices.
- Have a great attitude!

## QUALIFICATIONS:

- Ability to work challenging and extended work hours under varying weather conditions.
- Experience working outdoors.
- Ability to work with self-direction under limited supervision.
- Willingness to work away from home for shifts up to 10 days in length.
- Valid Class 5 drivers license or equivalent.
- Safety oriented.

## ASSETS:

- Previous experience in vegetation management
- Safety certifications such as: Standard First Aid Level C, H2S Alive, ATV / Argo, Bear Awareness, CSO/CSTS 2020, Defensive Driving, WHMIS, TDG
- Alberta Pesticide Applicators License
- 4x4 truck driving, logging road driving, and trailering
- Strong verbal and written communication skills
- Ability to identify plants of Alberta
- Wild + Pine is a growing, multidisciplinary team where our strength comes from the diversity of skills our staff bring to the table. Candidates that have a skillset, hobbies, or a passion in areas not related to this role but feel could bring value to our organization, we encourage you to share those with us. Photography, carpentry, coding, report writing, AI/ML, horticulture, design, or any other; we want to know about it.
- Ready to start May 1st, 2024

**WHAT SETS YOU APART:** Our staff aren't successful at Wild + Pine because they have a degree or experience. They are successful because they want to apply their individual skills, knowledge, and creativity to an organization dedicated to a more sustainable future. Wild + Pine is a team of industry builders, community builders, and technology builders - and we surround ourselves with those who are too.

Wild + Pine staff are committed to providing an environment that fosters growth and development. Placing a high value on practical industry experience, Wild + Pine offers a competitive salary/benefits package. Wild + Pine is a Certified B Corporation that is committed to balancing people, planet, and profit. This position is currently seasonal with those successful in the role being offered permanent employment where applicable.

Qualified individuals are invited to apply before **April 5<sup>th</sup>, 2023 at 4:00pm**. Submit your resume via email to [careers@wildandpine.ca](mailto:careers@wildandpine.ca). Please ensure the job title is stated in the subject line.

Wild + Pine thanks all candidates for their interest; however, only those selected for an interview will be contacted.
