

2024 Field Operator

Wild + Pine is seeking a Field Operator for our summer operations beginning in May 2024. This position is seasonal full time, based out of our Edmonton office, and has the possibility of extension. Prior equipment operating experience is required.

ABOUT WILD + PINE: Wild + Pine is a fast-paced, rapidly growing group of companies at the intersection of Canada's emerging carbon market and green economy. As a team of foresters, environmental scientists, and natural resource professionals, our organization represents some of the world's largest corporate climate leaders while advancing our industry and community as a globally recognized Certified B Corporation.

As an evolving professional organization, Wild + Pine offers a diversity of work experience and opportunities for those looking to develop their careers within a creative, purpose-driven company.

Position(s): Field Operator

Location: Edmonton, with project-based travel required.

Term: May - August/September

Compensation: \$25-\$30/hr (+1.5x OT) depending on experience

POSITION SUMMARY: Wild + Pine is seeking hard working individual seeking work in the environmental restoration and management industry. This role is suited for those who enjoy working in remote areas, are self-directed and resourceful, and are prepared to work in all types of environments and weather. The successful candidate will operate a range of tools and powered equipment to facilitate reclamation, restoration, and afforestation projects. When equipment operation is not needed, the Field Operator will be expected to take on other field related tasks, in addition to supporting the operation, maintenance, and expansion of Wild + Pine's Bioprism Advanced Vertical Greenhouse facility at the Edmonton International Airport Sustainability campus.

ROLES & RESPONSIBILITIES:

- Operate tractors, excavators, and skid steers to complete mechanical site preparation tasks.
- Perform daily light maintenance on all equipment.
- Haul trailers and equipment to and from remote work sites.
- Install gates and fences around restoration areas.
- Apply creative thinking to problem-solve in remote areas.
- Record progress by GPS and report daily progress to project manager.
- Participate in the design and construction of our greenhouse facility when not in the field.
- Have a great attitude!

QUALIFICATIONS:

- Previous experience operating heavy equipment such as tractors, skid steers, forklifts, and excavators.
- Previous experience driving on rural roads with trailers and a heavy load.
- Ability to work challenging and extended work hours under varying weather conditions.
- Experience working in remote areas.
- Ability to work with self-direction under limited supervision.
- Willingness to work away from home for shifts up to 10 days in length.
- General handiness and experience with hand tools and construction.
- Valid Class 5 driver's license or equivalent.
- Safety oriented.

ASSETS:

- Previous experience in forestry, reclamation, or energy.
- Formal training in heavy equipment operation.
- Safety certifications such as: Standard First Aid Level C, H2S Alive, ATV / Argo, Bear Awareness, CSO/CSTS 2020, Defensive Driving, WHMIS, TDG.
- Experience driving and trailering 4x4 trucks off-road.
- Strong verbal and written communication skills.
- Ready to start May 1st, 2024.

Wild + Pine is a growing, multidisciplinary team where our strength comes from the diversity of skills our staff bring to the table. Candidates that have a skillset, hobbies, or a passion in areas not related to this role but feel could bring value to our organization, we encourage you to share those with us. Photography, carpentry, coding, report writing, AI/ML, horticulture, design, or any other; we want to know about it.

WHAT SETS YOU APART: Our staff aren't successful at Wild + Pine because they have a degree or experience. They are successful because they want to apply their individual skills, knowledge, and creativity to an organization dedicated to a more sustainable future. Wild + Pine is a team of industry builders, community builders, and technology builders - and we surround ourselves with those who are too.

Wild + Pine staff are committed to providing an environment that fosters growth and development. Placing a high value on practical industry experience, Wild + Pine offers a competitive salary/benefits package. Wild + Pine is a Certified B Corporation that is committed to balancing people, planet, and profit. This position is currently seasonal with those successful in the role being offered permanent employment where applicable.

Qualified individuals are invited to apply before **April 5th, 2023 at 4:00pm**. Submit your resume via email to careers@wildandpine.ca. Please ensure the job title is stated in the subject line.

Wild + Pine thanks all candidates for their interest; however, only those selected for an interview will be contacted.
